1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other:

Applicant has amended claim 1 without showing all of the markings to indicate changes. "All claims being currently amended in an amendment paper shall be ... submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claims. The text of any added subject matter must be shown by underlining the added text." See 37 CFR §1.121(c) (2). Applicant should resubmit the amendment indicating the addition of the letters to the beginning of claim steps. Further, applicant should not indicate what is being changed in the text when making amendments (i.e., Period inserted).

Further, Applicant is reminded of the Paper requirements found in 37 CFR §1.52(b) (2) (i) which require "Lines that are 1 1/2 or double spaced". Applicant should resubmit the amendment to the claims including spacing that is in conformance to this requirement.

Also, as a courtesy to Applicant it is noted provisionally that periods within the claim may result in a claim objection. "Each claim begins with a capital letter and ends with a period. Periods may not be used elsewhere in the claims except for abbreviations. See MPEP 608.01(m) and see *Fressola v. Manbeck*, 36 USPQ2d 1211 (D.D.C. 1995).

If the applicant has any questions concerning this amendment, the applicant is invited to call the examiner at 571.272.4075.
